

**CURRICULUM VITAE**  
**PAUL E. SAVOCA, MD, FACS, FASCRS**

**Work Address:** Virginia Surgical Associates  
3620 Joseph Siewick Drive #406  
Fairfax, VA 22033

**Contact Information** Phone: ©: 703-501-1571  
email: [paulesavoca@gmail.com](mailto:paulesavoca@gmail.com)  
website: [paulsavocamd.com](http://paulsavocamd.com)  
primary address: 8191 Strawberry Lane #118  
Falls Church, VA 22042  
Consultancy address: 5 Ocean Avenue  
Northport, NY 11768

**Certification:** National Board of Medical Examiners  
American Board of Surgery  
American Board of Colon and Rectal Surgery

**Licensure:** Virginia 49457  
Maryland  
Connecticut (inactive)  
North Carolina (inactive)  
New York (inactive)  
Minnesota (inactive)

**Society Memberships:** American Society of Colon and Rectal Surgeons  
American College of Surgeons  
Chesapeake Colorectal Society (Past President)  
Clinical Robotic Surgery Association  
Medical Society of Virginia

**Education:** Colorectal Fellowship 1991-1992  
University of Minnesota  
Division of Colon and Rectal Surgery  
Minneapolis, Minnesota Surgical Residency

General Surgery Residency 1985-1991  
Yale University School of Medicine  
New Haven, Connecticut

S.U.N.Y. Health Sciences M.D. 1985  
Center at Brooklyn  
Brooklyn, New York

SUNY Albany B.A. (Music), Magna Cum Laude  
Albany, New York 1980

### **WORK EXPERIENCE**

Virginia Surgical Associates 2015-present  
620 Joseph Siewick Drive #406  
Fairfax, VA 22033

Virginia Hospital Center 2014-2015  
1701 North George Mason Drive  
Arlington, VA 22205

Director Department of Colon and Rectal Surgery 2012-2014  
Saint Catherine of Siena Medical Center  
50 Route 25A Smithtown, New York 11787

Colon and Rectal Surgeon 1993-2012  
Fairfax Colon and Rectal Surgery, PC  
Fairfax Colon and Rectal Surgical Center, LLC (Medical Director)  
Fairfax Hospital  
Reston Hospital Center

Colon and Rectal Surgeon 1992-1993  
Department of Surgery  
Durham Regional Hospital  
Durham, North Carolina

Colon and Rectal Surgery Fellow 1991-1992  
Division of Colon and Rectal Surgery  
University of Minnesota Medical School  
Minneapolis, Minnesota

Research Fellow 1988-1989  
Colorectal Section, GI Surgical Research Group  
Yale University School of Medicine  
West Haven VA Medical Center  
West Haven, Connecticut

Resident in General Surgery 1986-1991  
Yale University School of Medicine  
Yale-New Haven Hospital  
New Haven, Connecticut

Intern in General Surgery 1985-1986  
Yale University School of Medicine  
Yale-New Haven Hospital  
New Haven, Connecticut

Research Associate 1980-1981  
Thoracic Surgical Research Group  
Albany Medical College  
Albany, New York

Research Assistant 1980  
Institute of Comparative and Human Toxicology  
Albany Medical College  
Albany, New York

**Special Skills:** Robotic Colectomy, Laparoscopic Colectomy, SILS, TEM,  
Anorectal physiologic testing, endorectal ultrasonography  
Sacral nerve stimulation for fecal incontinence

### **AWARDS**

Outstanding Teacher Award 2010  
Fairfax Hospital General Surgery Residency

Resident Research Prize, Association of Veterans'  
Administration Surgeons, San Antonio, Texas, May, 1989

Resident Competition  
Society for Surgery of the Alimentary Tract  
Washington, D.C., May 1989

Resident Prize  
New England Society of Colon and Rectal Surgeons  
Manchester, Vermont, November 1989

## **BIBLIOGRAPHY**

### **Manuscripts:**

Bennet JA, Savoca PE, Lin T, Prusoff WH. Comparative effects of 5'-amino-5''-deoxythmidine, a new antiviral agent and 5-iodo-2'-deoxyuridine on the immune response of mice. Int. J. Immunopharmacol, 4(6):557-566, 1982

### **BOOK CHAPTERS**

Savoca PE, Wong WD. Anal carcinoma: Anatomy, staging and prognostic variables. Cancer of the Colon, Rectum and Anus, Cohen AE, Winawer SJ, Friedman MA, Gunderson LL editors. McGraw-Hill, New York, NY, 1995 pp. 1013-1025

### **PRESENTATIONS**

Acute Acalculous Cholecystitis in Non-Critically Ill Patients.

Association of Veterans Administration Surgeons  
Minneapolis, Minnesota. May 1988 (Poster)

Gastrointestinal Malignancies in Crohn's Disease.  
New England Society of Colon and Rectal Surgeons  
Bretton Woods, New Hampshire. September 1988

Release of Peptide YY in Humans.  
New England Society of Colon and Rectal Surgeons  
Newport, Rhode Island. April 1989

Does visceral ischemia play a role in the pathogenesis of acute acalculous cholecystitis?  
Society for Surgery of the Alimentary Tract  
Washington, DC. May 1989

Peptide YY release by short chain fatty acids: Evidence of human colonic evolution?  
Association of Veterans Administration Surgeons  
San Antonio, Texas. May 1989

cAMP-mediated release of PYY from the isolated perfused colon: evidence for negative feedback modulation of colonic secretion.  
Surgical Forum  
Atlanta, Georgia. October 1989

Mucinous rectal cancer in the State of Connecticut: 1982-1986.  
American Society of Colon and Rectal Surgeons  
St. Louis, Missouri. May 1990

Evidence for cholinergic regulation of deoxycholate-stimulated PYY release in man.  
American Society of Colon and Rectal Surgeons  
St. Louis, Missouri. May 1990 (Poster)

Screening colonoscopy in asymptomatic patients.  
American Society of Colon and Rectal Surgeons  
St. Louis, Missouri. May 1990

Malignant Transformation of Giant Anal Condylomata.  
New England Society of Colon and Rectal Surgeons  
Woodstock, Vermont. November 1990

Colonic Carcinoids in the State of Connecticut: Incidence, Distribution and Survival.  
American Society of Colon and Rectal Surgeons  
Boston, Massachusetts. May 1991

Long Term Follow-up in Patients with Mucinous Rectal Cancer  
Minnesota Surgical Society  
Duluth, Minnesota. September 1991

Recurrent Rectal Prolapse: Pitfalls in Diagnosis and Management.  
XIV Congress, International Society of University Colon and Rectal Surgeons  
Crete, Greece. October 1992.

Intestinal Pseudo-obstruction.  
Washington, D.C. Chapter of the American College of Surgeons  
Washington, D.C. March 1994

Risk of malignancy in patients with inflammatory bowel disease.  
Washington, D.C. Chapter of the American College of Surgeons  
Washington, D.C. March 1995

The Delorme Procedure for Internal Rectal Prolapse.  
American Society of Colon and Rectal Surgeons  
Montreal, Quebec. May 1995 (Videotape)

#### **PUBLISHED ABSTRACTS**

Savoca PE, Ballantyne GH, Bilchik AJ, Modlin IM.  
Xylocaine does not inhibit deoxycholate-stimulated PYY release.  
Gastroenterology, 96(5):A444 Part 2 May 1989

Savoca PE, Ballantyne GH, Flannery JT, Modlin IM.  
Mucinous rectal cancer in the State of Connecticut: 1982-1986  
Dis. Colon Rectum, 33(3):P13, 1990

Ballantyne GH, Savoca PE, Fleming FX, Longo WE, Modlin IM.  
Screening colonoscopy in asymptomatic patients.  
Dis. Colon Rectum, 33(3):P14, 1990

Savoca PE, Ballantyne GH, Bilchik AJ, Modlin IM.
